

BY THE GOVERNOR OF THE STATE OF GEORGIA

A PROCLAMATION

BUSINESS CYBERSECURITY DAY

- WHEREAS: Cybersecurity is a necessary element for ensuring the prosperity and continued financial growth of businesses across the state and nation; and
- WHEREAS: The State of Georgia is committed to providing a secure economic environment that fosters trust and confidence for all citizens and businesses; and
- WHEREAS: The Technology Association of Georgia (TAG) will host the 2017 Cyber Security Simulation to enhance public-private partnerships and better prepare Georgia's businesses for the technological challenges of the future; and
- WHEREAS: C-level executives, senior managers and practitioners from a range of business sectors and organizations will cooperate in the simulation of a business-impacting cyber-attack, providing those in attendance with the proper tools to implement preventative cybersecurity measures in the workplace; and
- WHEREAS: In response to today's technological advancements, citizens and businesses must work to protect information and data that may be susceptible to cyber threats by applying the appropriate steps to prevent and address these dangers; now
- THEREFORE: I, NATHAN DEAL, Governor of the State of Georgia, do hereby proclaim May 17, 2017, as BUSINESS CYBERSECURITY DAY in Georgia.

In witness thereof, I have hereunto set my hand and caused the Seal of the Executive Department to be affixed this 10th day of April in the year of our Lord two thousand seventeen.
